Re: Freedom of Information request

Thank you for your request for information under the Freedom of Information Act, which we received on 9 April 2015.

You requested the following information;

1. Do you look after your own IT or is it outsourced?
2. How much did you pay in last financial year for software licenses?
3. How many computers users do you have?
4. When do you need to renew the contract with Microsoft for software licenses? What was the value of your last contract?
5. Do you currently measure software usage versus the number of licenses purchased? If so what is used for software usage metering?
6. Do you use a software asset management tool?
7. Please also provide details of IT Contracts Managers and any person(s) involved in IT Software procurement.

We do hold some of the information that you have requested.

Our IT support is outsourced under a contract managed by the Attorney General's Office (AGO). We currently have 22 computers/laptops for our use.

We cannot answer any of the other questions as we do not hold this information. Our licenses are procured through the AGO.

If you have any other queries about this letter, feel free to contact OBR enquiries at obrenquiries@obr.gsi.gov.uk.

Yours sincerely
