

25 November 2015

Supplementary forecast information release - correction

The following table corrects Table 4.32 in our November 2015 *Economic and fiscal outlook*. In the original publication the B&B and NRAM adjustment line was zero in every year. The rest of the information in the table is correct and as published.

	£ billion					
	Forecast					
	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
